

Advance-Nilfisk Part

Advance-Nilfisk Part - Imagine how long and tiresome it would really be to tidy up after a party, with no assistance from equipment. Not too long ago, the dirt from carpets and upholstery had to be beat out of them by hand; cleaning cloths, brooms, and brushes were the top cleaning products at the time.

P.A. Fisker, the man who founded Nilfisk-Advance, was an electrical engineer who loved working with electrical motors. Founding the business in the year 1906, he began to make motors in order to drive machine tools, coffee grinders, drills and fans. Mr. Fisker's vision from the beginning was to have a worldwide company marketing merchandise worldwide.

The Nilfisk C1 was a tremendous breakthrough for the cleaning business. This ground breaking vacuum cleaner, invented by Mr. Fisker, weighed only 17.5 kilos and could be operated by one individual. This creation came in a time where many cleaning equipment were very big and needed at least 4 operators, hence, the Nilfisk C1 changed everything and developed the method we clean forever. The mastermind behind these first cleaning machines remains unparalleled. Cleaning machines offer a brilliant solution to an ongoing crisis; stuff get filthy and have to be cleaned regularly, without too much effort.

Slowly, the business Nilfisk-Advance expanded throughout the years. In the early 1980's the business grew fast when the company became a part of the NKT Group. With new owners on board, they focused on driving Nilfisk-Advance ahead within the business, trying to be an active worldwide player in producing professional cleaning machines. Nilfisk-Advance is now found in every part of the globe by gradually acquiring lots of small businesses in order to develop their product selection and presence in new markets. They are really proud to present various cleaning solutions to fit each need.
