

Trek Part

Trek Parts - TREK Cleaning Machines is a machine maker who is passionate about the cleaning business. The company's founders, Chris Knowlton, Bob O'Hara and Jim Hartsock, have more than sixty years combined experience with successfully developing, marketing, manufacturing, designing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their clients and are committed to giving top quality and new design concepts in order to meet the diverse needs of their customers.

In their product development; TREK Cleaning Machines continually offers fresh design concepts. They like providing products that energize both their partners and their dealers and provide production gains to their customers.

The TREK team of workers enjoys new tasks and new challenges. They are really proud to introduce its breakthrough technology found in their Torsion scrubber line. This line was motivated by the understanding of operators' skills and requirements combined with their understanding of cleaning applications, together with owners' strong desire to considerably lessen expense through productivity gains.

When needed, the employees within TREK and its several dealer members in both parts and in technical support will be obtainable. One of their core values is their high service commitment in their customer service. Keeping their clients' cleaning machinery functioning and ready everyday is top priority. The company's top of the line technology delivers reliable equipment that eventually lessens your cleaning cost. The product, the price and the service all work as one so as to make them the leader in the industry.
