

American Lincoln Parts

American Lincoln Part - Presently linked with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machinery. In the business they are recognized within the industry as providing durable and strong equipment that meets the requirements of heavy industry and larger infrastructure. American made products; the sales are conducted nation- wide via national accounts, authorized distributors and direct Government sales.

American Lincoln shares the battery operated walk behind version of floor scrubber with the Clarke Company which is currently likewise owned by Nilfisk Advance. Their manufacturing operations are based in Springdale Arkansas. These kinds of scrubbers are on the market under the brand name "Encore". American Lincoln has the ability to supply machinery, parts and warranty service for these scrubbers which have both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice equipment of huge distribution centers like for example Target and Wal-Mart. The 7765 line has earned the respect of several facility supervisors where efficiency and results matter. Lately, this floor scrubber model has been requested by the architects in different construction projects like Home Depot's and Lowes Home Improvement Stores. Flooring contractors use this sweeper scrubber on site due to the model's supreme performance level and excellent quality for polishing concrete.
